WHAT COMES NEXT?

The FishWreck is Coming!

The much anticipated FishWreck Water SplashPad is slated for construction this Spring with an anticipated opening date of June 1st, 2006! The water feature truly will make Adventure Island the "Place to Be" for kids and families of all abilities this Summer. We will celebrate the construction with:

What: Family Fun Day

When: Thursday, May 11, 2006

Time: 5:00-7:00 pm

Where: Adventure Island

Bring your family out for free hot dogs and playtime. Take a tour of the playground and learn how you can help, whether it be through volunteerism of your time or making a financial contribution. See you there!

But where are the Benches?

Are you tired of the "BYOC" at Adventure Island? "What is BYOC?" you ask? "Bring Your Own Chair!" of course. Many people have wisely thought to do this; still others just sit down on the wonderful rubberized surfacing. But there's got to be a better way, don't you think?

Benches and tables are just some of the remaining components that we are trying

to raise funds for. One standard bench can cost up to \$1,000 installed.

Whether you can give \$25.00 or \$2,500, every bit makes a difference. Join in this effort today!

UNIVERSALLY ACCESSIBLE

F.A.Q.

Here are some of our most frequently asked questions. The complete list is on our website, but please feel free to contact us if you don't see what you're looking for.

What is the Adventure Island Playground?

Adventure Island is Idaho's First Universally Accessible Playground, allowing children of all abilities the opportunity to learn, play and grow together.

Where is Adventure Island located?

In Meridian's Settler's Park, at the corner of Meridian and Ustick Roads.

Who is creating Adventure Island?

This project is being created entirely by volunteers throughout the Treasure Valley and through partnerships with The City of Meridian and JumpStart, a Pediatric Therapy program of Saint Alphonsus Regional Medical Center. Every tax deductible donation goes directly to the project itself as there are NO paid salaries!

I thought it was just for kids with disabilities...can kids who don't have a disability play there too?

Absolutely!! Adventure Island is about **INCLUSION!** This playground is exciting for every child. Themed play areas, water, sand and even music will allow ALL children (and grown-ups too) to find activities that will appeal to them.

If you are able to help or if you have any questions, please contact Angela Lindig at 208.887.3531 or alindig@juno.com or visit: www.adventureislandplayground.org

HOW CAN I HELP?

Volunteers!

We need your help! Below are the many ways you can get involved to help complete Idaho's most unique playground.

General Advisory Committee: Meetings are held the first Wednesday of every month at 1:00 pm at the Saint Alphonsus Foundation. We discuss construction, design and fundraising. We are seeking new members to help spread awareness and help raise funds for phase two.

Brick Sales Committee: We are selling commemorative bricks which will make up the root system of the Tree of Hope. We will need to sell approximately 500 bricks and hope to install them by next Fall. This is a great way to raise funds and awareness at the same time.

Treasure Seekers Play Dates: The 2006 inclusive playdates are starting soon! There will be four this year beginning April 29. We need volunteers who are willing to help with craft activities as well as a couple of people willing to plan and lead the events.

Community Outreach/Fundraising: Seeking individuals who are well connected within the business community and are willing to help with fundraising.
